# BUSINESS NETWORKING AND THEMATIC AREAS

Explore thematic areas where you can meet new people and socialize according to your interests: Healthy Life Area, Innovation Space, Roscongress Urban Hub, Agrocluster, Business Networking Platform, VinoGrad, Roscongress International.

**The Business Networking Platform** is a key space for business meetings and communication with partners and like-minded participants at SPIEF.

Every year, the Business Networking Platform provides a number of primary services. These include contact searches, establishing business connections, and booking meeting spaces.

# ROSCONGRESS INTERNATIONAL COOPERATION AREA

Roscongress International Cooperation Area will once again be a key platform for international dialogue at SPIEF 2026. Its primary infrastructure includes partner stands, a presentation hall, private meeting rooms, an informal lounge area, and, above all, comprehensive support services for international business communications.

**Becoming a partner of the Roscongress International Cooperation Area at the SPIEF 2026 will provide companies with:**

- access to a comfortable ecosystem, including ready-made solutions for organizing partner stands
- priority access to meeting rooms
- the opportunity to host their own events in the presentation hall.
